Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking the job of being sales representative as I am in this position currently and I have been discovered my passion in this particular position that I could execute this job if I might be in a state of being motivated. As I am too, being able to motivate myself in doing my job as I am now in this position. but I just want to feel another pressure to see that I really work under pressure. I am very motivational and very humble when it comes in my position what I like about me is that I am very good in handling problem together with my staff. I am good in convincing the customers our customers are retailers. I am very friendly that is what I have been noticed to me. I am very energetic to take extra mural when it is necessary..
