Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm currently looking for a job in which I'm required to do from home. I am a self motivated driven individual that is target driven and won't stop until I see results. I am currently working as a grade R teacher and I am now looking for something less interactive as I want to tone down. I am generally a people person and I do enjoy interacting with individuals however given the circumstances that the world is facing I need to transfer all of that energy over the telephone.
