Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for home based par time work. I am self employed at the moment and looking for an additional income that will assist with monthly expenses. I have been working for myself since 2004, and require the flexibility that i have enjoyed being my own boss. Unfortunately due to the economic situations at present my sector of the industry is not doing well which has led me to look for alternative methods of making a living. I am a hard working, motivated, reliable and trust worthy individual who can work and their own.
