Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a young guy with bachelor of Commerce in Economics. I am currently working at a Financial Service provider in Gauteng Midrand.

I am a problem solver with a great experience in my field and also looking forward to learn in other departments.

Though I have an economics qualification I am able to compile and complete financials of a business including the balancing of Balance Sheet. This shows how flexible I am.

I am also part of the risk management team, working closely with the clients, liaising with them and providing them with a value proposition that is hard to refuse.
