Additional information

Additional information: organizational and administrative capabilities. I have the potential for Salary you wish: 5000 R per month
 I am expressing the positive qualities, I am an outstanding credit manager because I can plan, initiate, and complete projects; I am very dependable and determined. I am very materialistic and also very desirous of status and power. I am very fond of reading, and retreating to periods of being alone and away from the disruptions of the outer world. I like to develop my idealistic understandings, to study and analyze, to gain knowledge and wisdom. I will not laid back and withdrawn to really succeed in the business world and I will be much more comfortable in circumstances that are tolerant of your reserve, my analytical approach, and my desire to use my mind rather than my physical being. I dream of being a leader and one who is in charge. I want to
