Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a very hard working individual , very vigilant, active and observant . I carry out instructions as ordered and I always make sure the job is done.I love learning and I'm punctual at all times. I am more of a team builder than a team player. With that being said, I love challenging working environments, and I believe the knowledge and skills I possess would be beneficial to any company that hires me.
