Curriculum Vitae (CV)

What job i'm looking for? My positive points

I was hoping if I could get a forklift operator position or any driving because I have code 10 drivers license and also trained as a forklift operator.

But for now I'm not choosy so I'll go for any offer that you will have for me.

I'm actually looking for any kind of job at this moment.i'm looking forward to work so hard because it's been a while sitting at home with no income.

I'm a very hard working individual and I also believe in Team work at most cases
