Your hobbies As a highly motivated and dedicated student with strong communication and interpersonal skills, I would like to apply for the position of Human Resources management or Business

Management.

As a student I have been extensively involved in my school community, which has allowed me to develop strong interpersonal skills. My involvement in various event, including drama eisteddfods and sports carnivals, has allowed me to work closely with my peers while supporting the school community as a whole.

These experiences have allowed me to develop strong time management and organisational skills, which i see as being very important when seeking to work in casual employment while continuing to study.

Personal attributes that i believe make suitable for this position include:

- ☐ Motivation: Volunteer participation and school results demonstrate high motivation.

- ☐ Customer service: Assisting with the sales of products at community events has allowed the development of customer service skills.

- ☐ Communication: Acting in drama performances and working as an MC for school events has allowed the development of community skills.

My teachers and educators have commended me for my willingness to participate and dedication to helping out where possible. I enjoy working with others and believe that my strong communication skills will ensure that i can meet the expectations of this role.

I am aware that you will receive a large number of applications for the job, but I would very much appreciate the opportunity to demonstrate my capabilities to you in person.

I believe that i have a lot to offer your organisation. I am keen to develop my professional skills and look forward to discussing my application with you at an interview. I have enclosed a copy of my resume for consideration. I can be contacted at all times on the details provided above.
