

Naldo Bambo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Actually I was doing IT(Software Development) I was forced to drop out due to financial problems, because of this there is a lot I didn't learn so I am not hundred percent sure for me to work on jobs that require it. I am naturally good at IT I do understand a little bit more on the software rather than the hardware side.

Preferred occupation Jobs for students
Student jobs

Preferred work location East Rand
Gauteng
