Curriculum Vitae (CV)

What job i'm looking for? My positive points

I hereby looking for Administration job, I am confident that with my experience I have the knowledge and relevant skills to fulfil the position as require, as I'm eager to enhance and develop personally within your company I was employed as a receptionist and then got promoted to be an Financial assistance at Rock Mining Machines since August 2018. I am now Financial assistance in a very same company, and I believe am a top candidate for this position because:

- I can use switch bored and transfer calls, welcome client with a friendly manner, usher them to the relevant person, solve employee problems.
- I have particularly good computer skills, data capturing, problem solving, salary payments and I am also willing to learner new things.
- I work well under pressure; I have gained enough knowledge on how to solve any disputes politely and respectfully. I react quickly to situations and have good customer service.
- I will effectively perform all my tasks as required by your organization and maintain the standards and procedures defined by your company. My aim is to be part of the most successful team that is committed into making this company a success, that is why when given the opportunity I will do all my duties with perseverance, dedication, and loyalty.
