Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a very hard working person who gets very dedicated in whatever goals I set for my self. I am one person who never really chooses jobs, as I am always eager to learn new things everyday. I am also a good problem solver , who works quite good with other people , as I always build relationships along the way too. I also love facing challenges as I believe that they are what makes people grow as human beings and make us strong, ad also in every problem we come through we always learn something new.
