## What job i'm looking for? My positive points

I'm looking for a security guard job because i don't any other qualifications. I didn't get a matric due to social problems at home. So i depends on this job and it makes me to respect and have a good communication with others because it's all i have. I have a family to feed and all eyes at home are on me.

I am a Christian, i don't use any substances, I'm punctual, I have more than 6 years of experience and i respect anyone irrespective of gender and age. Getting another job which pays better it will be simple to maintain my family and I don't want my children to come across my life experience. Hiring me it will be a blessing to me and my family.

Thanks in advance.
