What job i'm looking for? My positive points

I'm looking for a job as a typist. I enjoy working with writing and I'm a fast learner. I don't have any typing experience but I mean, almost everyone is familiar with it!

I was an A English student in my matric year and I'm currently working as a volunteer on an online radio station. It's quite difficult to make ends meet if there is no stable income, so this job would really change my current situation.
