## What job i'm looking for? My positive points

I would do any job available but if it was my choice and would prefer a welding job as I am a coded tig and arc welder I also did a 3 month contract in Guinea west Africa in a mine, I have my most work experience being in the welding field so I would prefer to carry on working as a welder, all though times are tough and jobs are scarce so work is work and I don't mind do anything from driver to general worker anything, hope to hear from you kind regards alistar
