

Tumelo Ntsasi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Tumelo

I have a heavy sales background and therefore it has become more of my strength having worked in retail and call centre sales which have gone on to shape my skill in the Sales department.

However I'm more passionate about the sports environment as I went on to study sports administration at Boston College and city campus. My knowledge about the industry is broad even though I'm yet to be directly involved within this particular career.

I believe I'm well spoken, strong minded, a critical thinker and a hard/smart worker as I'm always trying to prove I'm good enough for any opportunity or task placed in front of me as I refuse to settle for anything I believe I'm better than, I don't want to be in a comfort zone so I push myself as much as I can in hopes for better opportunities.

I believe I'm not limited to 1 skill as I'm always ready to learn and gain more skills and knowledge of different fields of employment. Given an opportunity I always strive to learn as much as possible so that I can do better in that particular job. No job is too hard if you put your mind to it and be open to learn so you can improve.

Therefore I don't limit myself to jobs I've done before, I feel like I'm more open to any other opportunities that may avail themselves as I know and trust my mind and work ethic.
