Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a Mine Shift Supervisor's post. I do have my Shift Supervisor's certificate and blasting certificate also a safety rep certificate. I can do trackless mining and conventional mining and I do have 30 years experience in mining.

I have good communication and human relations skills and my relation and co-operation with my co-workers and my superiors are excellent. I also perform excellent under pressured circumstances and my safety record is also outstanding.

I will definitely make a huge difference in your company as I am target driven and see to it that my target set is reached even when circumstances is not in my favor I will definitely go out of my way to reach set targets. I am not scared to work physically hard and will even work longer hours if need be.
